Signed Consent is required for all players aged under 18 years of age by a parent/guardian.

This signed consent must be read and understood by the person signing on behalf the player and its contents explained to the player by the parent/guardian.

Without signed consent no training or games can be played by the player.

Club requirements for games and training as outlined in code of conduct and risk assessments.

Before arrival at training and games all players must self-screen prior to arrival at training and confirmed by a parent/guardian. This must be carried out as below.

A high temperature above 37.8 oC , A new continuous cough, Shortness of breath, A sore throat, loss of or change in normal sense of taste or smell, feeling generally unwell, been in close contact with/living with a suspected or confirmed case of COVID-19 in the previous two weeks.

If the answer is yes to any of these do not attend the session and follow UK.GOV guidance. This check will be asked by the coach upon attending the session to check it has been completed.

Children must arrive with their own water bottle, hand sanitiser, sun cream and any medication required. Hand Sanitiser will be available for each coach issued by the club.

Travelling to and from activities must be kept to people from within the same household or bubble, do not arrive with any outside of those groups. If you arrive with someone from outside your support groups, you will not be allowed to train. The same procedure must apply to leaving activities.

When you arrive at the session you must be in your kit ready to train, maintain social distancing, enter the playing area through the designated IN gate and place all your belongings on your cone spaced out for social distancing and sanitise your hands.

Parents/Guardians are advised to stay on site, however it will be mandatory for you to be contactable at all times during activities. If parents are staying then they are advised to follow social distancing guidelines as recommended by UK.GOV website.

Hand Sanitising and hand hygiene is extremely important and will be carried out on arrival to activities any breaks and leaving the session. All equipment will be cleaned and sharing of equipment kept to a minimum.

Children must refrain from spitting at all times and no chewing gum will be allowed at any activity.

If a child becomes symptomatic during a session the session will be cancelled immediately and further information may be required at a later date to follow UK.GOV guidance.
